

Make Schools more secure with Milestone Systems

Our Open Platform allows you to leverage new technologies as they develop to better secure your students and staff.

**Faster
Investigations**

**Video
Push**

**Share video with
local authorities
& agencies**

**Video verified
access control**

- ✓ Increase security for all students and staff
- ✓ Prevent violence and theft
- ✓ Minimize vandalism and the costs for repairs
- ✓ Easily investigate incidents and identify suspects
- ✓ Enable faculty to instantly share video with on campus security or local law enforcement

Book a demo at your convenience

Let our experts show you how to up efficiency and improve the bottom line in a 1:1 demo
