## GAME ON. Engage in Esports with the Esports Evolution™ Desk.

Designed specifically  
for your educational  
institutions Esports Arena

### GAMER CENTRIC

- Matte black finish minimizes glare and player distraction
- 44" width creates the perfect player space with plenty of room for CPU
- Height adjustable legs accommodate any and all gamers
- Optional flat panel monitor mount creates the perfect play environment

### ARENA READY

- 44" width allows maximum player per arena capacity
- Cable management allows for easy daisy chaining of desk
- 30" depth allows plenty of space for surface mount CPU and game play
- Colored accents match chairs and arena branding

### QUALITY BUILT

- Legs located at edges of desk to maximize leg room
- Steel cord channel adds strength and convenience
- Powder-coated, heavy-gauge steel construction with Spectrum's renowned quality build
- SCS Indoor Advantage Certified, meets or exceeds applicable ANSI-BIFMA standards

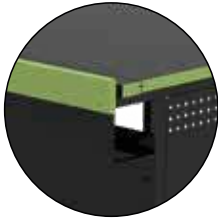

### GAME ON

- Spectrum is the leader in computer lab furniture and now Esports Arenas
- Built for the arena, not your mom's basement
- Check out our Arozzi Esports chairs
- 10 year warranty for long term play
